Mr. Moser is away and is difficult to reach
him. I will relay your request, however, I
believe you should be able to find that
information.

Attached are exhibits 21 and 22.

Best Regards,

There are numerous free online databases
including Findlaw.com, google scholar and
Justia.com.   It is not our responsibility to
perform any research for you and you
have already shown the ability to perform
research.

This is to confirm that you have the ability to perform your own research but choose not to. I have not printed the cases or statutes. If I had I would have provided them to you.

Best,
Steven
